SYNOPSIS

Hikaru no Kimi - The man who because he was prejudiced in his feelings, caused the girl that he once treasured from the bottom of his heart - Murasaki no Kimi - to be executed. L. Horuki, has realized that I am really the reincarnation of that man, and in order to fulfill the promise I made to her over a thousand years ago, I have begun "The Search to Find Murasaki no Kimi" But then at the same time, will I end up forgetting Shiori, the one I love in this age...?
